

# THE RECORD 1956

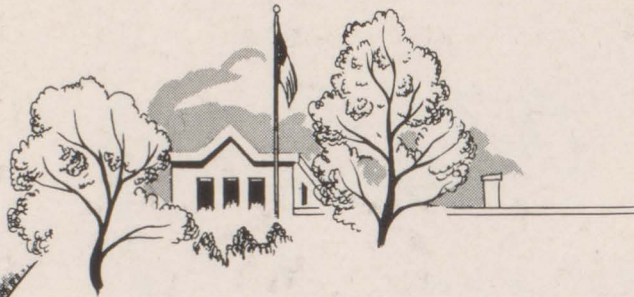

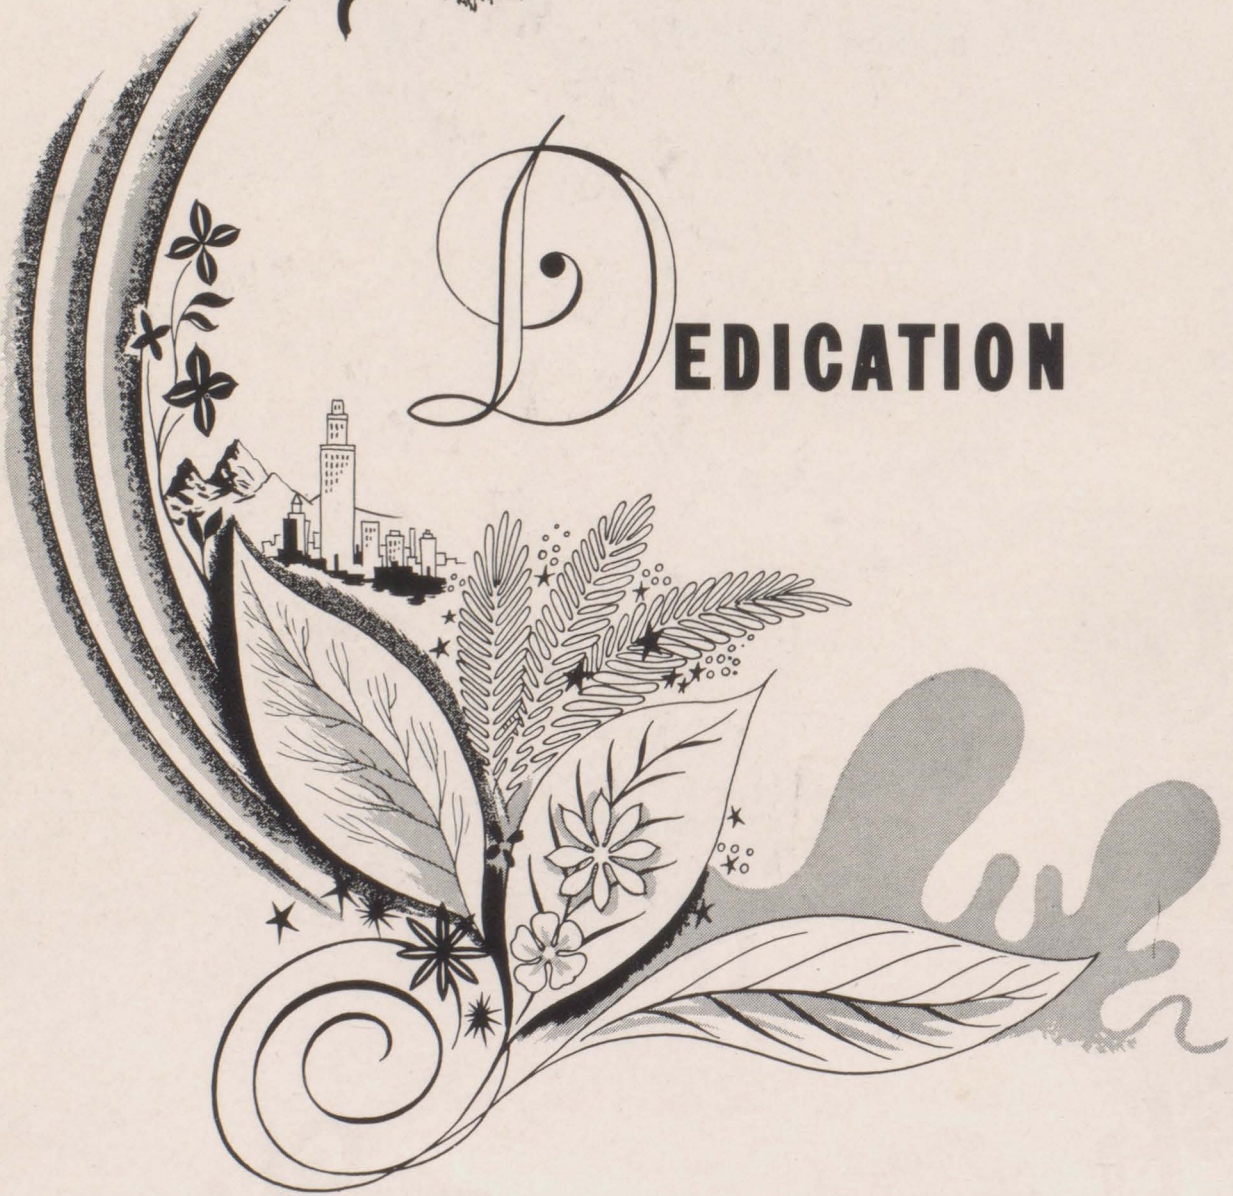

RECORDED BY  
CAPAC SCHOOL CAMERA CLUB  
CAPAC, MICHIGAN

# DEDICATION

We wish to express our appreciation and affection to Ruth Rollo, our school secretary. For seven years Ruth has served as a patient, wise, practical and friendly secretary. She has been faithful in helping with class records, training class treasurers and giving first aid, besides her many duties as secretary to the Superintendent.

*And so to you, Ruth, we dedicate The Record of 1956.*

It is not always easy to impress young people with the idea that the era of their school days is a golden one. It is only with the passing years that the full realization of this fact will become evident.

However, as teachers, we would not be doing our best if we failed to point out that education will benefit each of us as individuals as well as the nation and the world. As we enter this age of automaton the importance of the educational foundation will become more and more apparent. It is even now almost essential that every citizen understand modern technology, not just in the factory, but in the home and on the farm as well.

The task of securing an adequate education is not an easy one, as some would have you believe; nor should it be. It is my belief that each of you will benefit from your school career almost in the same proportion as the effort you put into it. No one can, or should, do it for you, but all of us will be most happy if we can help along the way.

All this was put in shorter and simpler language many years ago when it was said, "Seek and ye shall find; knock and it shall be opened unto you."

Sincerely,

*Walter W. Bright Superintendent*

### *School Life*

The crossroads of life  
And the crossroads of the nation..  
Are they so different?  
The high school student must decide  
Which way he is going,  
Just as the traveler must choose  
Whether to go east on route 30  
Or south on 41.  
What helps him decide?  
The way he spends his time in school.  
Not only in the classroom

But also in his clubs  
Where he learns cooperative planning;  
And in his activities  
Where he develops latent skills,  
Acquires new interests,  
And discovers unknown aptitudes.

SCHOOL LIFE  
Is significant..  
And fascination..  
And indispensable.

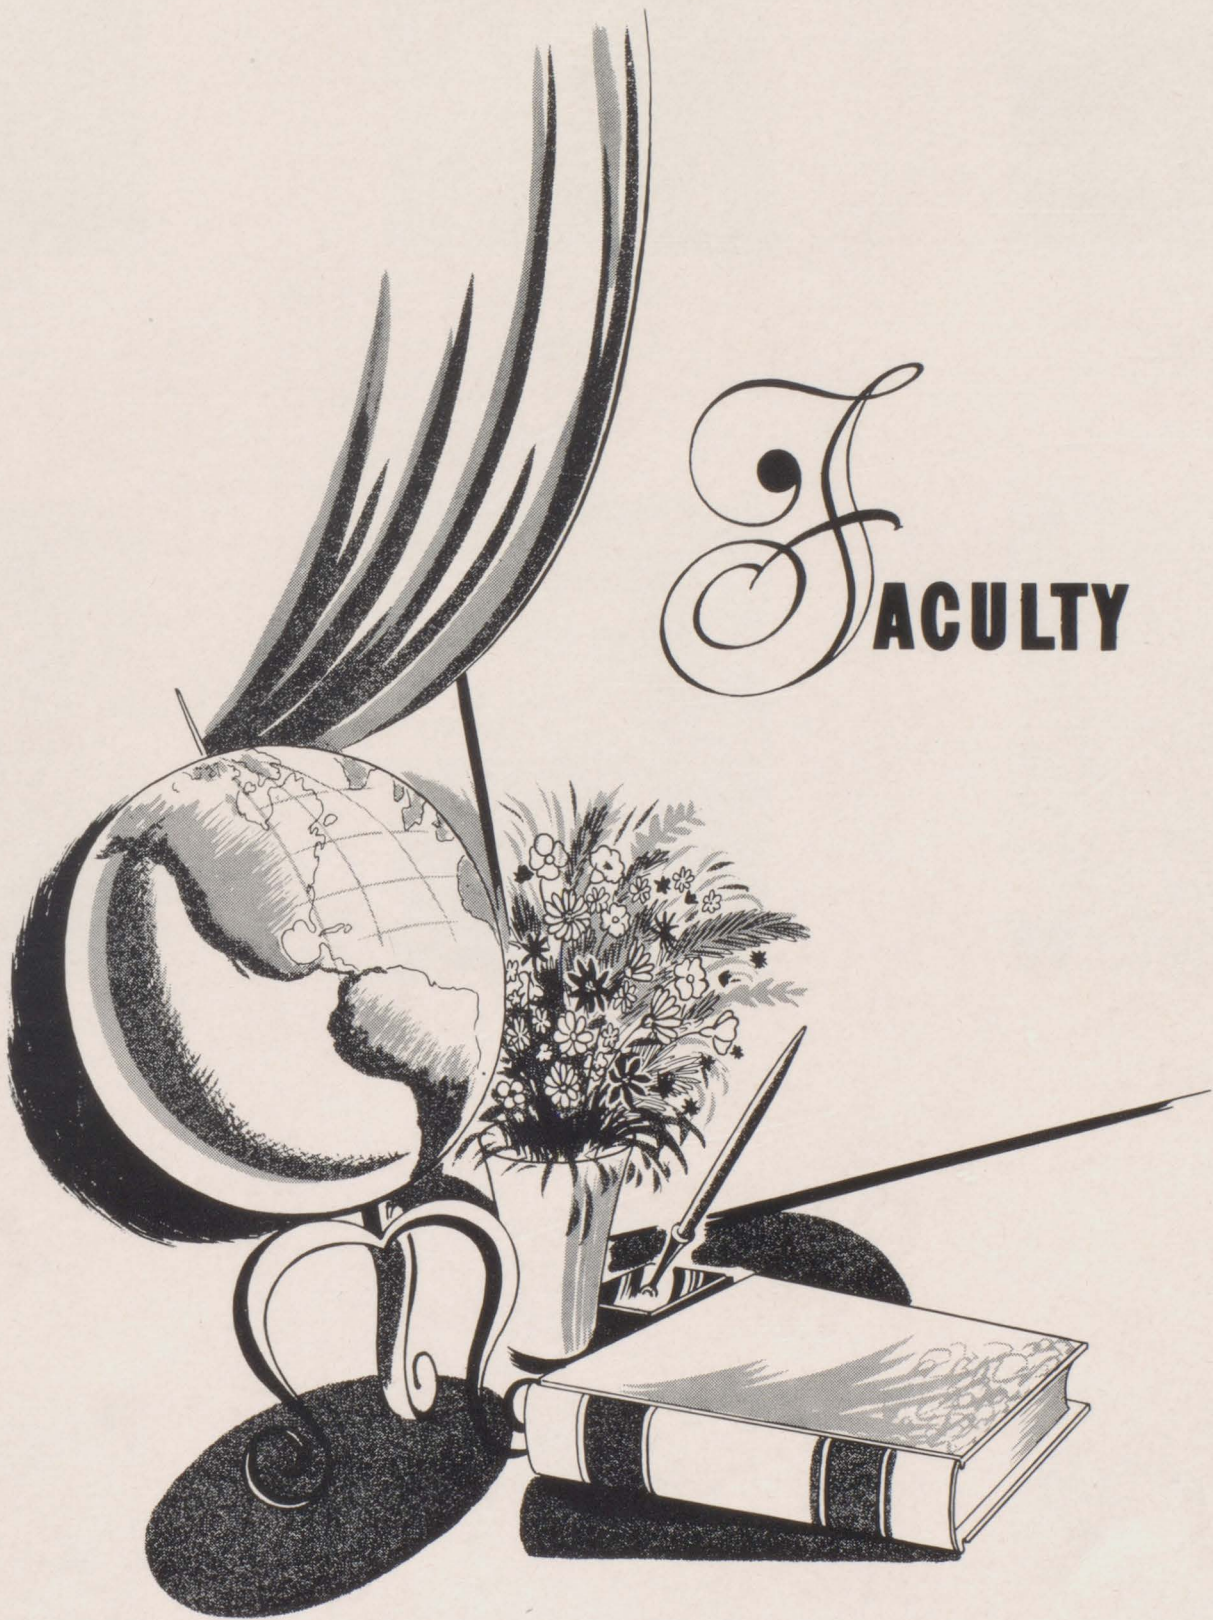

JOAN KALBFLEISCH

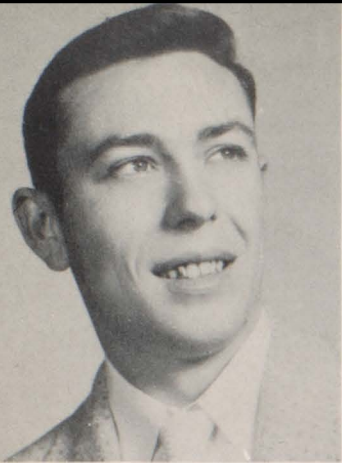

*Secretary to the Principal*

### Librarians

These girls have the job of keeping the library running. A change in policy this year has made it possible that those girls working with Mrs. Fisher may receive credit. Some of their jobs include repairing books, keeping an attractive bulletin board and keeping the library in neat and clean order.

Those receiving credit are Mary Ellen Chrysler, Janet Kaufman, Joan Burian, Sylvia Granc, Elaine Cody, Donna Harvey and Marianne Wood.

## Safety Patrol

## F. F. A.

The F. F. A. has had a very busy program this year. Some of the events were--A program by Lonnie Barron, the M.S.U. - Marquette game, a visit to the Detroit Stockyard, Parliamentary Procedure team, and Farm Forum in the District F. F. A. contests at Almont. Joe Vargo and Richard Smith attended State F. F. A. as delegates from the Capac Chapter. Our new officers went to leadership training school.

## Student Council

The Student Council is an organization of students, elected by students, to serve as their official representatives in all matters of the entire school. It provides a medium through which student opinion may be voiced and a forum for the consideration of common school problems.

## Camera Club

Although our group is small, we have some good enthusiasm and photo interests. We have opened the club to Junior High this year, so as to have a longer period of photography training.

We sponsored the Donkey Basketball Game in January. We have been working on developing films, printing, enlarging and tinting of pictures. Trick pictures was the topic for one meeting. We are hoping to develop some real "Shutter-Bugs."

Our big project of the year is the school yearbook. Our staff was composed of Anna Brieger, Franklin Spotts, Mary Ann Osborn, Jim Barth, Sharron Rhody, Marianne Wood, Mary Ellen Chrysler, Joan Burian, Janet Kaufman, Larry Castle, and Kelly Martin, with Mildred Swem and Mary Ellen Hoyt as advisors.

## CONFERENCE?

### *Senior High Girls' Glee Club*

The Girls' Glee Club is a non-academic class that functions to promote and sustain interest in vocal music and to provide opportunity for program and concert work before the public.

"To thee we sing."

### *Jr. High Glee Club*

*Instrumental*  
*Department*

The seventy-three piece Capac High School Band is a busy group through the entire year. During the summer season its members spend evenings in rehearsal for its day on exhibition at the Michigan State Fair in Detroit. Through the fall season the marching band spends many hours on the field perfecting the half-time performances for the football games. The winter and spring concert season is spent in rehearsal for the many concerts, contests, festivals and other scheduled appearances. These members enjoy working together to a worth-while performance.

# A**THLETICS**

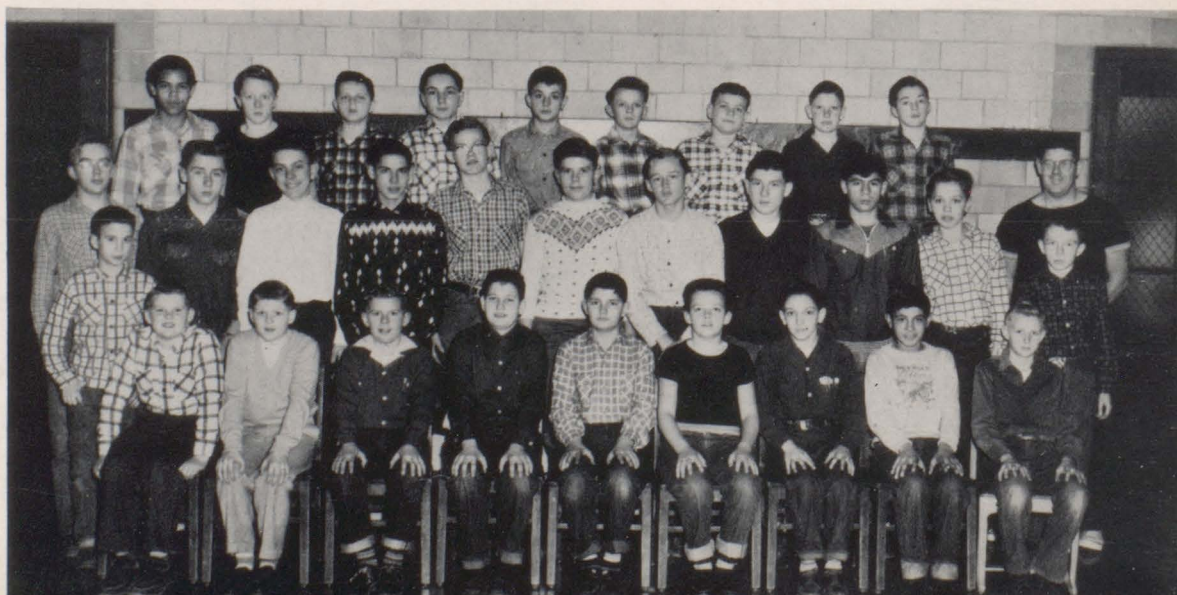

### *Football*

At the beginning of the year almost everything in the athletic department was new. New athletic director, Mr. Seeley, new head coach, Mr. Smith, new assistant coach, Mr. Moore, and many new players. There were only five starters from the 1954 team and two other lettermen. Inexperience was a major handicap, with our entire defensive backfield gone from our 1954 team. Although we didn't win a game we gained much experience. More than half of our lettermen were Sophomores and Freshmen.

Several players were outstanding in the league. George Kobayashi, a unanimous choice, receiving All-Star honor. Bob Elston and Joe Vargo also placed in the all league selection. With so many returning lettermen, Coach Smith is looking forward to the coming season hopefully.

### *Jr. High Basketball*

## Varsity

The Capac Chiefs, under the coaching of Mr. Moore, have shown a lot of enthusiasm in all of the games they have played this season. Jim Chernenko was high scorer for the Chiefs but only with the help and co-operation of his teammates, Jim Schlaire, Andy Kocis, Bill Ogden, George Kobayashi, etc.

## Jr. Varsity

### *Girls' Basketball*

The girls' basketball team this year, in general, had few changes in the playing line-up over our last year's team. Though many of our enthusiastic supporting players were new to the team, several show very promising aptitude and ability for the following years. These girls are just as important to our team as those who are on the playing floor and we appreciate their faithfulness to the team.

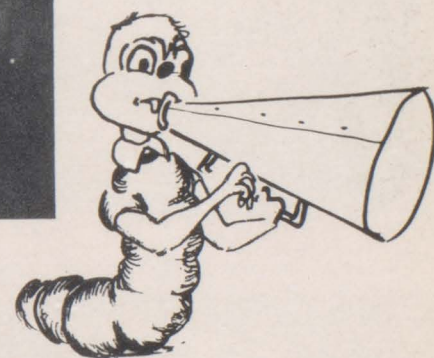

Winning five of their six league games, the girls tied with Armada for championship, and earn a trophy again this year.

## Track

Jim Chernenko's victory string was unbroken in 1955, as he won every race he ran. Jim has first place medals from Central Relay, League Meet Regionals and State Championship. Many of Jim's performances were in near record times, so in this his senior year he has these marks to shoot for.

## *Springtime In Paris*

The theme for the annual Junior-Senior Prom was "Springtime In Paris." In the beautifully decorated high school gym, on April 29th, they danced to the music of Pete Bentz Orchestra.
